Website

The screenshot shows a web browser window with the URL <https://llgc.wildapricot.org/Membership>. The page features a scenic background image of a mountain range and a lake. The main heading is "Los Lunas Gun Club". A navigation menu is visible, with "MEMBERSHIP" selected, showing a dropdown menu with options: MEETINGS, BY-LAWS, MEMBERSHIP APPLICATION, and NRA MEMBERSHIP. The "MEMBERSHIP APPLICATION" option is highlighted. The page content includes an "INTRODUCTION" section with the following text: "The Los Lunas Gun Club is a non-profit 501(c)(7) corporation registered with the Secretary of State of New Mexico. Our organization is proudly affiliated with the National Rifle Association (NRA). We are not a militia group or a paramilitary organization. We do not promote the overthrow of the federal government. We are a group of patriotic, hardworking Americans who want to preserve the rights granted to all United States citizens by the Second Amendment! We invite anyone to join us, regardless of race, religion, or age, as long as you are not prohibited by any federal, state, or local laws from possessing and using a firearm. *All members of LLGC must belong to the NRA.*" Below this is another paragraph: "Our objective is to promote the safe, responsible use of firearms for the purpose of competitions, improving marksmanship, teaching hunter safety, and fostering sportsmanship." The page concludes with a section titled "Membership".

All LLGC Members must be NRA members – it is your responsibility to keep your membership current

NRA Membership

Membership can be renewed on the NRA Website or through the LLGC Website

Range Procedures

When you arrive at the range use your
gate code to open the gate

Range Procedures

Flags

There are flags at all ranges and at the end of the main drive – The main flag should be left attached to the main flagpole and raised when shooters are on the range. The last shooter will lower the main flag when leaving the range

Flags can be found in mailboxes located near the flagpole

Flags

Red – Range is Hot

Black – Range is Closed

Black and Red – Special Event

Entry Sign

When arriving, a sign board posted near the main flagpole with moveable placards shows open and closed ranges, as well as other important range information.

SAFE GUN HANDLING

- All firearms must be cased when walking up to any range
- Clearing areas are provided to unload firearms
- Concealed carry firearms –unload prior to approaching firing line
- Do not handle or touch any firearm during cease fire (includes target changes)
- Treat all firearms as loaded
- Keep finger off the trigger until you are ready to fire
- Never point a firearm at anything you are not willing to destroy
- Know your target and what is beyond

Anyone on the range can call a cease fire for safety at any time

There are AED's and major bleed kits at the pistol and shot gun range for emergency usage
Report usage of AED's or bleed kits to board members

LLGC does not have "First Aid Kits"
Members are encouraged to carry a first aid kit in your range bag

The first person at the range is the Range Safety Officer

All Emergencies or emergency equipment use at the range must be reported to a board member as soon as possible

If you see an unsafe act

- Do not confront!
- Gather vehicle information – include license plate number if able
- Get a description of the person
- When safe and able contact a board member and pass on the information

PISTOL RANGE

- Only Pistol caliber firearms to be used at this range
 - .22 caliber allowed including .22 caliber rifles
- Must shoot from behind bench
- Drawing from a holster is not permitted on this range
- Markers on the ground set at 7, 15, 25 and 50 Yards
- Ensure targets are set so bullets impact the berm
- Use only authorized targets at the pistol range
 - No exploding targets, steel targets, plastic or glass bottles allowed
- Pick up and dispose of spent casings
 - Brooms and dustpans provided
 - Use plastic buckets for brass casings
 - Dispose of .22 brass
- Target stands and frames can be found in the Con-x
 - Return them when finished shooting
 - Members are required to bring own targets

GENERAL USE BERMS (GUB'S)

- Less restrictive ranges
- Holster draw allowed
- Tactical rifles and shotguns allowed
- Good for CCW or multiple target practice
- Place targets for bullet impact in berm
- GUB 2 – Authorized CCW Instructors given priority – check calendar before use.

Gub 2

Gub 1

(Pistol Range)

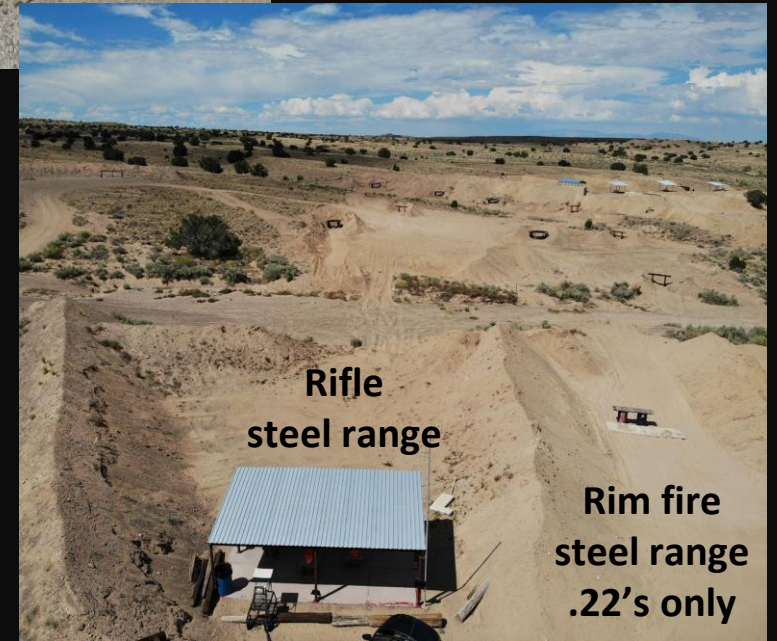

RIFLE RANGE

- Designed for rifle Use only
- All rifle calibers allowed (except .50BMG)
- All shooting takes place from bench or prone positions under shade structure
- Berms at 100 and 200 yards
- Truck path on the right side for quicker target set up and changes
- All shooters must be behind benches before shooting commences
- Con-x contains target stands and frames
 - Members supply own targets
- Brooms provided for clean up of spent shell casings

DEDICATED STEEL RANGES

- 3 steel ranges
 - Pistols (behind pistol range)
 - Rifles (East of Rifle range)
 - Rimfire .22's only (east of rifle steel range)
- Only pre-staged steel targets allowed on these ranges
- Do not set up target stands at these ranges

SHOTGUN RANGE

- Only shotguns may be used
- The largest size of shot allowed is 7 ½
- Automated thrower during pre-approved scheduled events
- Manual Thrower
 - Always available
 - Follow instructions on bench
 - Use own clays
- Shotgun Patterning Board
 - Only shotguns allowed
 - No shot larger than 7 ½ allowed

SPECIAL EVENT BAYS

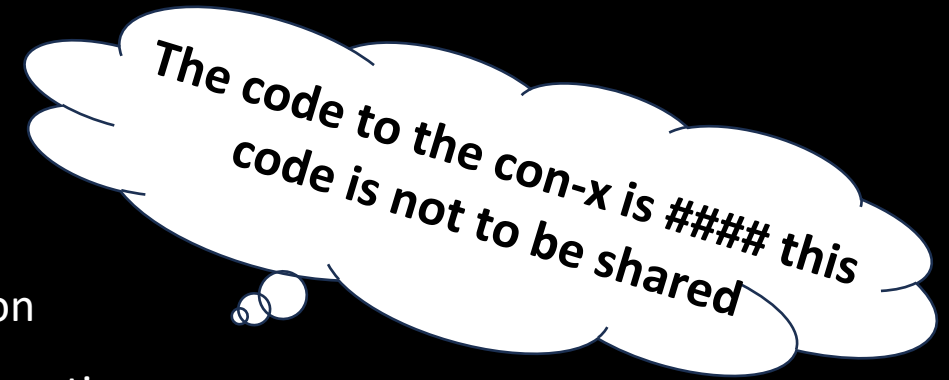

These 12 bays are for scheduled events only, as shotgun range closure is required. These events include IDPA , Steel Challenge, and other Traditional and Action events. All members and guests are encouraged to participate in these events which can be found on the website calendar.

Range Policies,
Reminders &
Safety Tips

Range Policies, Reminders & Safety Tips...

- ✓ Please wear your badge at all times when at the range
- ✓ Members may bring guests to the range
 - ✓ Keep them with you at all times
 - ✓ 2 guests may shoot at one time under member observation
 - ✓ If member is shooting only one guest may shoot at the same time
- ✓ Our method of communication with members is via email
- ✓ Let someone know when you head out to the range and when you will return –cell reception is spotty
- ✓ Check the website calendar before heading to the range

No presentation, video or pamphlet can cover every possible scenario you might encounter at the range. Use good judgement and common sense and contact a Board Member with questions or concerns

Range Policies, Reminders & Safety Tips (continued)...

- ✓ There is no running water or electricity at the range
 - ✓ Be aware of lead contamination – wipes are a recommended item in your range bag
- ✓ You are responsible for cleaning up after yourself
 - ✓ Trash barrels are at all ranges
 - ✓ Extra trash bags are in the con-x
 - ✓ Dumpster is beside the road on the way out of the range
 - ✓ Ammo cans at pistol and rifle range
 - ✓ Please use for ammo that did not fire
 - ✓ Plastic buckets at shooting stations for spent shells
 - ✓ If you reload - brass in plastic buckets is there for you to recycle

LLGC range policies and standard operating procedures can be found and printed on the LLGC website

- Keep a copy in your range bag or vehicle for reference

Range Policies, Reminders & Safety Tips (continued)...

Fire danger is high please follow no smoking / vaping signs at the range

.50 BMG, armor piercing, tracer or incendiary rounds are ***not*** allowed at the LLGC range.
No green tip ammo on steel range.

Alcohol is not permitted at the LLGC range

Bump stocks are not allowed at the LLGC range

THIS IS YOUR GUN RANGE

Take care of it

- Police your brass
- Remove your trash
- Obey all safety rules for safe gun handling
 - ALWAYS - treat all firearms as loaded
 - ALWAYS – keep your finger off the trigger until you are on target and ready to fire
 - ALWAYS – know your target and what is beyond
 - NEVER – point a firearm at anything you are not willing to destroy

THANK YOU

Stay safe and enjoy your time at the range
